

HIGHEST RATED ONLINE PAYROLL SOFTWARE

2010 ANNUAL PAYROLL SOFTWARE REVIEW

Stay ahead of the curve

Crest Payroll does it again! In September 2010, Crest Payroll received the **highest rating** (4.75/5) by **The CPA Technology Advisor**, outperforming some of the well known payroll software companies. That rating defines our success and commitment to this industry.

Payroll processing can be time consuming for many. Crest Payroll has been designed to eliminate pain from payroll. We are recognized for user-friendliness, flexibility and efficiency in the overall payroll function. We continuously add new features to bring intangible value without 'nickeling and diming' our esteemed subscribers.

Crest Payroll We empowers you to set up your own 'company branded' payroll site that boosts your corporate identity within your practice and clients. You can link the payroll site to your corporate website. Now, you won't hesitate giving your clients or their employees a role-based access to our fully integrated Client and employee self-service portal.

Here are top 5 reasons to use Crest Payroll:

- ✓ Comprehensive online payroll solution with no payroll tax impounding
- ✓ One flat-monthly all inclusive fee with zero upfront investment
- ✓ Time & Expense module with payroll processing in three simple steps
- ✓ Direct deposits and check printing with digital signature included
- ✓ Automated payroll tax reporting & payment service that includes all 50 states

THE CPA 2010
TECHNOLOGY ADVISOR
